The Statutory Auditors of the Company have carried out a **"Limited Review"** of the financial results for Quarter ended **30th September, 2026.**
2. The entire operation of the Company relate to only one segment viz. supply of construction and real estate related materials. Hence, as per the Management approach under Ind AS-108, the company has a single operating segment.
3. Trade receivables amounting to ₹ 13.38 million were outstanding for more than 12 months as at the Balance Sheet date. The Management is actively following up with the respective parties and is making continuous efforts for recovery of the outstanding amounts at the earliest.
4. Trade payables amounting to ₹ 28.81 million remained outstanding for a substantial period as at the Balance Sheet date, and balance confirmations from the respective parties were not available. The Management is actively engaged with the concerned parties for obtaining balance confirmations and reconciliation of accounts. Further, the Management is taking necessary steps to settle the outstanding dues in a phased manner, based on the availability of funds and operational cash flows of the Company.
   Further five creditor's parties have filed recovery suit against the company for recovery of their dues and accordingly court notices from different courts have been received by the Company covering the payable of ₹ 29.90 Million as per books of account. Out of the aforesaid five creditors, the Company has entered into full and final settlement agreements with two creditors for an aggregate amount of ₹ 14.19 million. Against the said settlement amount, the Company has paid ₹ 12.52 million, & the balance Amt. of ₹ 1.67 million has been written back and recognised as other income under the head **"Other Income"** in the Statement of Profit and Loss for the period.
5. These financial statements have been prepared on a going concern basis, despite accumulated losses & a negative net current asset position as of the balance sheet date. Management is optimistic about the company's revival in the coming years, citing the exits of residential projects & a reduction in debt. Consequently, these financial statements do not include any adjustments related to the recoverability & classification of assets or liabilities that might be necessary if the Company were unable to continue as a going concern.
6. Notes:

1 The above Financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on November 13, 2026 respectively. The statutory auditors of the Company have reviewed the financial result for the quarter ended September 30, 2026, in terms of Regulations 33 of SEBI (Listing and Other Disclosure Requirements) Regulations, 2015.
2 As informed earlier, the subsidiary Company at Singapore viz. Readymade Steel Singapore Pte. Ltd., is under liquidation process and hence due to non-availability of its financial information, the same have not been considered in the above consolidated financial results. The Company in its standalone financials has already impaired its investments and loans outstanding in the said subsidiary. In view of the same, there will be no material impact of the said liquidation on the financials of the Company. These results consolidate the financial statements of two of the subsidiaries viz. Kridhan Infra solutions Ltd. & Kridhan Media Tech Private Ltd. (effective from 12th Jan 2026).
3 The Company operates in a single business segment but there are two geographical segments. However since the figures for Singapore subsidiaries are not available as mentioned above, the segment reporting is not submitted.
4 *Since the Company has already impaired its investments and loans outstanding in the said Associate Company viz. Vijay Nirman Company Private Limited, in its consolidated financials, there is no impact in the current consolidated financials and hence not considered in the results.
5 Exceptional Items are on account of Reversals of earlier provisions for Loans & Advances and Trade Receivable
6 The Company has undertaken various initiatives to strengthen its financial position and improve its business prospects. The recent preferential allotment of equity shares and/or warrants is expected to augment the Company's equity base and provide additional financial resources to support the expansion of its business activities. The Company has accumulated losses over the past years, resulting in erosion of its net worth. However, considering the improvement expected from its business prospects, proposed diversification and expansion of operations, the Management is confident of the Company's ability to continue its operations as a going concern. Accordingly, these financial results have been prepared on a going concern basis.
